NOTICE OF FIREARM TRANSFER FROM NON-LICENSEE

To Whom It May Concern,

Per BATFE request we do not give a copy of our Federal Firearms License to non-licensees. You may verify that we are a valid Federal Firearms Licensee online at the BATFE's EZcheck website.

Input 8-25 and 04074

You can ship your firearms via USPS, UPS or FedEx ground for long-guns. Per UPS and FedEx regulations you must ship handguns via Next Day Air. Reminder, it is against Federal Regulations to ship a Handgun through the United States Postal Service by anyone other than a licensee. If sending anything by USPS please use the PO Box 375 address.

Please include a photocopy of your driver's license or other state issued photo identification showing name and address with your shipment. Alternatively you may email a scan to us at info@cdsarms.com before shipping. Federal law insists that we document all incoming firearms with the person's full name and address.

If there are any other questions, please do not hesitate to ask. We cannot be responsible for undocumented firearms due to failure to follow the instructions.

Thank you,

Cory D. Sementuh
